I, Christopher John Dawson, Commissioner of Police and State Emergency Coordinator, for the purposes of paragraph 23 of the **Closure and Restriction (Limit the Spread) Directions (No 6)** made by me under sections 71 and 72A of the *Emergency Management Act 2005 (WA) (Act)* on 16 September 2020, as amended from time to time, specify the following criteria for a **COVID Safety Marshal**.

#### CRITERIA

A COVID Safety Marshal must:

1. be over 18 years of age; and
2. have completed the online training course "COVID-19 Infection Control Training" provided by Aspen Medical and found at <https://www.health.gov.au/resources/apps-and-tools/covid-19-infection-control-training#registration>; and
3. produce a National Police Clearance that is less than 12 months old; and
4. wear distinctive clothing sufficient to identify them as a COVID Safety Marshal; and
5. not simultaneously performing another role at the **event** unless otherwise approved in the **COVID Event Plan**.

*Note: For the avoidance of doubt, a COVID-Safety Marshal must comply not only with this criteria but with any other legal requirements applicable to his or her duties and functions, for example, requirements imposed under the Working with Children (Criminal Record Checking) Act 2004 (WA).*

#### DEFINITIONS

6. Terms used in this direction have the same meaning as corresponding terms in the **Closure and Restriction (Limit the Spread) Directions (No 6)** made on 16 September 2020.
